**ABOUT THE MUSICAL ARTISTS**

Recording artist, DJ, and radio show host (Soular Grooves, KPFT 90.1), **DJ Sun** recently released his second EP "Para." With his first, "Monday Drive," listeners quickly learned they could trust him to take them on an international and fantastical exploration of old-school soul, jazz, reggae and even disco. Now, as consistent as a heartbeat and as warm as memories of home, DJ Sun propels listeners to go even further with him as he integrates the roots and traditions of his background with contemporary and at times futuristic methodology.

**Wayside Drive** is an indie group made up of singer and multi-instrumentalist Jeremy Osborn; singer, bassist, and cellist Natalie Osborn, and drummer Kevin Robinson. Their sound draws on several musical genres, including indie, electronica, and world music. Their first full length studio album "The Red Room" was released in 2006 followed by "The Other Side" in 2010. The band was featured on a tribute CD to Jandek titled "Down in a Mirror" along with such

Roy Samano, A.K.A. DJ **King Elroy Boogie**, has been part of the music collective The Kracker Nuttz since 2006, sharing their vision of integrating culture into music and entertainment. His specialties: “DJing, mic control, creative ideas, and being awesome.” He achieves this by playing a range of his favorite music, including House, Neo Soul, Reggae, Hip-Hop, R&B, and New Jack Swing. Employing a deadly combination of mad skills and passion, Elroy Boogie is dedicated to presenting his audience with vivid and creative mixes.

#### **ABOUT FUSION TACO**

New this year: **Fusion Taco**, a booming taco truck business brought to you by Julia Sharaby, a locally grown “food-artist” of sorts. Her innovations to the run-of-the-mill taco truck are outstanding, giving all those taco trucks out there a run for their money, complete with short rib tacos, Asian cole slaw, and Indian flatbread. We’re not using the word “fusion” lightly here!
