

Landscapes are found throughout the history of art. How does artist Nicolas Moufarrege's use of a variety of landscapes transport you to different places? Can landscapes express feelings?

Describe or draw a landscape that expresses how you are feeling right now.

Nicolas Moufarrege is known for his use of **appropriation**. He used images from Classical sculptures, Baroque paintings, comic book heroes, Islamic tilework designs, Pop Art, and Arabic calligraphy.

What images do you recognize in Nicolas Moufarrege's work?

Can you list all of the ways that Nicolas Moufarrege used appropriation?

## **Appropriation**

Appropriation is when an artist uses an image or object without alteration.
