Scavenger Hunt for Color | Virtual Drop-in Experience

In this virtual drop-in experience, we will assemble seven everyday objects we find around us, one for each color of the rainbow.

Rainbows are made of seven colors:
Red,

Orange, yellow, green, blue, indigo,
and violet.

You will need to find an object
for each color.

Grab anything - magazine photos,
objects around your home.

Build your rainbow -
assemble your objects,

In a way that best suits
their material.

View your rainbow and share
with your community online!
