

Instructions:

1. Discover

Find different places inside and outside your home where you can safely touch and examine your surroundings.

2. Look Inside

Walk through your home and look for any of the following textures:

- Soft
- Hard
- Coarse
- Bumpy
- Crocheted
- Fuzzy

Do you first notice texture by sight or touch? Make a list of additional textures you find to add to this list.

3. Investigate Outside

Safely explore the space outside your home to locate any of the following textures:

- Smooth
- Rough
- Dry
- Wet
- Slippery
- Sticky

How are the textures outside different from the textures inside your home? Can you find additional textures to add to this list?

4. Bonus Round

Collect small pieces of textured objects and place in rows to create rhythm and pattern.
