Where Do We Go From Here?

On view February 17–July 2, 2023

Exhibition Overview

- *Where Do We Go From Here?* is the thirteenth biennial exhibition curated by CAMH's Teen Council.
- CAMH's Teen Council is a group of dedicated high school students who are employed by the Museum to create programming for their peers. *Where Do We Go From Here?* is a group exhibition featuring work by 25 Houston-area teen artists.
- The works in the exhibition respond to the questions: *What did you leave behind? What are you taking into your new reality? And how have you been born anew?* The works were chosen through an open call submission.
- The teen artists in the exhibition pull inspiration from personal experiences and interests to express and work through their fears, anxieties, and hyper self-awareness of the transition between being a teen and becoming an adult.

- How have you been born anew?

Curriculum Connections

Language Arts | Teen artists have created works of art about how they feel, their insecurities, worries, and passions. Can you write a paragraph that expresses your emotions and how you are feeling? How does it feel to express yourself through your writing? How does it feel to get to know your classmates through their writing?

Visual Arts | Many artists in the exhibition created self-portraits in a variety of media. Create a self-portrait collage combining drawing and mixed media. What do you learn about the subject/artist through these portraits?
